

# MacNeal School Services Request Form

## 2011-2012 School Year

For the past several school years, we have been able to provide an intensive level of group, individual and other specialized services to our students and their families due to input and feedback that we received from you. We plan to continue to provide the same intensive level of services this year. In order to plan for these services for MacNeal School students and their families, we request you indicate which therapies would be useful to you for the coming year. Please check off which services you would find helpful for your child and/or family.

**Individual Therapy for child (not currently receiving community based therapy)**

**Individual Therapy for parent**

**Family Therapy**

**Sibling Support**

**No additional services are required by our family at this time.**

**I prefer services in English**

**I prefer services in another language \_\_\_\_\_.**

In order for us to contact you about services, please include your family name and your child's name in the lines provided below.

**Parent's name** \_\_\_\_\_

**Child's name** \_\_\_\_\_
